MISSION STATEMENT

The Lincoln Club of San Luis Obispo County exists to encourage, recruit and financially support Conservative Republicans for elected office in both partisan and non-partisan races. We generally support the political platforms of the Republican National Committee, the California Republican Party and most importantly the underlying philosophy of limited government, lower taxes and personal freedom. To accomplish these ends, we work with other Republican and philosophically compatible political organizations in the county to include but not limited to, The Republican Party of San Luis Obispo County, the Republican Women Federated and College Republican organizations.
